Dear Officer,

You must be my lucky star Cause you shine on me wherever you are I just think of you
and I start to glow And I need your light and baby, you know

Starlight, star bright First star I see tonight Starlight (star bright) Make everything all
right Starlight, star bright First star I see tonight Starlight (star bright) yeah

You must be my lucky star 'Cause you make the darkness seem so far And when I m lost
you'll be my guide I just turn around and you're by my side

Starlight, star bright First star I see tonight Starlight (star bright) Make everything all
right Starlight, star bright First star I see tonight Starlight (star bright) yeah
